High School Classes Select Leaders for '52-'53

DEE HUGHES

Dee Hughes to Represent A.H.S. At Williamston

Dee Hughes, popular Ahoskie High School Senior, has been chosen by her Senior classmates to represent the school in the 11th annual Harvest Festival to be held in Williamston on October 22.

Dee, who will reign as Princess Ahoskie, will ride in a convertible in a parade of the candidates for Harvest Festival Queen. The winner will be awarded a valuable gift and will reign as queen of the dance to be held following the afternoon activities.

Being president of the Student Council takes up a lot of Dee's time, but she still finds time to be a majorette for the high school band, a member of the Latin Club, Glee Club, and Associate Editor of the annual. As you can see, besides being a very attractive girl, Dee is also quite busy with school activities.

The high school wishes Dee "best of luck" as she competes with the other princesses for the title.

THE CHAMPIONS

THE BIG MOMENT

On November 28, 1952, the Ahoskie High School Indians, by defeating Bessemer City 48-6, won for the second consecutive year the North Carolina High School Athletic Association Class "A" Championship. Through hard work, excellent coaching and team spirit above all, our boys proved once again that they were tops in the state.

In addition to being state champions the fighting Indians also did a repeat performance by capturing the 1952 Albemarle Conference crown. They were undefeated in the regular eight-game season and in the two post season games.

To no one person go the honors which the achievement of these championships represents. The credit goes jointly to Coaches Jack Young and Julian Freeman, who instilled in the boys the spirit of fair play and the desire to win, as well as the basic knowledge of the game; to the boys as individuals who forgot self and combined their talents to build the strong co-operative unit they became; and to the team as a whole, whose unceasing desire for victory brought them the fame and glory they deserved.

At the end of the season, an Ahoskie fan stated, "If a team wins a championship once, they're good; but if they win it two years in a row, you know they're the best." This statement expresses exactly the pride which all Ahoskians feel for our mighty Ahoskie High School Indians.

SEASON REVIEWED

The Ahsoskie High Maidens began the 1952-53 basketball season in high spirits. After many hours of practice with Coach Julian Freeman, they were ready to take on their first opponent on December 9. In spite of the strong determination, Washington defeated Ahsoskie with a score of 48 to 26. Ahsoskie then traveled to Washington for the return game, which they hoped would be their first win, but luck was not with them. The 38 to 30 loss showed the maidens had made some improvement.

The next game was rather slow, and Ahsoskie lost to Murfreesboro 45 to 25. The following game with Windsor stirred much determination, and this spirit lasted until the game was over. This game was marked as Ahsoskie's highest scoring night, but Windsor took the 62 to 48 win. Roanoke Rapids was the next opponent, and they defeated Ahsoskie 37 to 23.

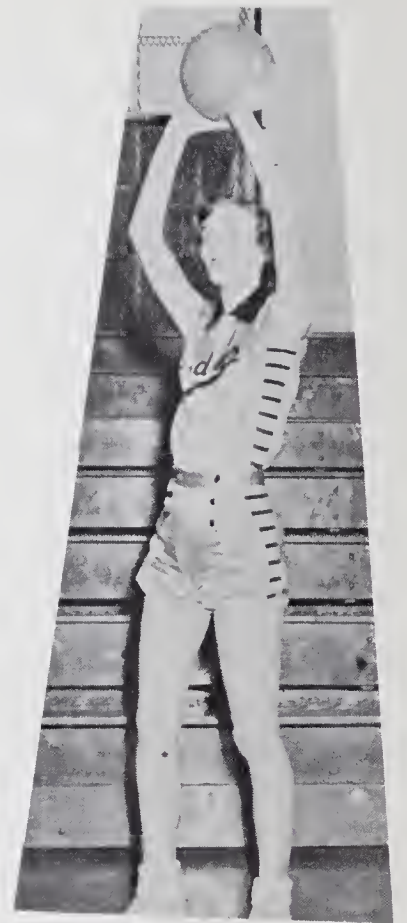

After five defeats, the Maidens were still looking for a victory. They found it on January 16 with Murfreesboro. Although they won with only a two-point lead, they were congratulated for their strong spirit, as well as the good game they had played. Again Ahsoskie fell behind with 37 to 23 loss to Colerain and a big win over Tarboro on Ahsoskie's home court. Ahsoskie defeated Tarboro 43 to 31. The next game was in Roanoke Rapids, where they met a 56 to 47 defeat.

The Maidens were determined to make their defeats a thing of the past, and they continued the season winning three consecutive games. Ahsoskie defeated Williamston 27 to 25, and struggled to win over Tarboro 38 to 37. Williamston's return game on the Ahsoskie court meant another 36 to 35 win for Ahsoskie which closed the season for the Maidens.
